

	<b>UIAB - MODEL A</b>	<b>UIAB - MODEL B</b>	<b>UIAB - MODEL C</b>	<b>UIAB - MODEL D</b>
<b>Who</b>	Accountants and Agencies	Accountants and Agencies	Agencies and Umbrella Companies	Agencies and end hirers
<b>Product Type</b>	UIAB - Product Expansion	UIAB - Your Stand-Alone Umbrella Company	UIAB - Umbrella Software Platform Lease	UIAB - Outsourced Exclusive Umbrella service for agencies and end hirers
<b>Product Descriptor</b>	Expand the product range of your existing limited company by adding an umbrella payroll product via UIAB. Strengthen your businesses portfolio, retain hard earned clients and attract new business – all while trading under your already established, reputable business name.	Satisfy your entrepreneurial side by starting your very own umbrella company with the support of UIAB. We'll talk you through exactly what steps are necessary to launch your new business and will implement our automated umbrella software for payroll processing.	Upgrade your performance capability and user-friendliness by leasing and integrating UIAB's end-to-end, intuitive umbrella software within your current operating model. For a flat monthly rate we guarantee that you will improve productivity and reduce human error through carefully designed automation and comprehensive real-time reporting.	Outsource employment liability to one of our partners (regulated Chartered Accountant) who will own and operate your 'exclusive' Umbrella Employment and Payroll company. The company will be managed by UIAB with our expert customer service, contracts, and payroll team
<b>Cost</b>	£0.00 set-up fee. Suggested weekly timesheet processing of £27.00. Of which UIAB retains £11.00, you receive £16.00	£0.00 set-up fee. Suggested weekly timesheet processing of £27.00. Of which UIAB retains £11.00, you receive £16.00	£999/month (Initial month offer £699)	£0.00
